HOWA SANGYO CO., LTD.

## Kanto Logistics Center Opens

---

This is to notify that Howa Sangyo Co., Ltd. has opened the Kanto Logistics Center in Chiba City, Chiba Prefecture, which began operations today Monday, February 17, 2020.

The Kanto Logistics Center was established with the goal of strengthening Howa Sangyo's logistics functions in the East Japan area with a focus on the Greater Tokyo Metropolitan Area. By combining multiple warehouse locations into one, we will be able to streamline operations and address the increasingly diverse logistics needs of customers with top-level solutions given the facility's close proximity to a major expressway.

Howa Sangyo is committed to providing and expanding its high-quality services now and in the future to earn even greater satisfaction from its customers.

### Overview of the Kanto Logistics Center
