Howa Sangyo Co., Ltd.

Opening of Osaka branch Shikoku sales office

Howa Sangyo Co., Ltd. announces the opening of its Shikoku Sales Office in Takamatsu City, Kagawa, as a sales office of its Osaka Branch.

Takamatsu City in Kagawa, long known as the gateway to Shikoku, continues to develop as a central city in the distribution and economy of Shikoku, partly due to its easy access from Osaka and Kobe. With the establishment of our first sales office in the Shikoku area here in Takamatsu City, we now have a system in place to provide services from locations close to you, with sales representatives stationed in Hokkaido, Honshu, Shikoku and Kyushu.

With the opening of the sales office, we will also be carrying out sales activities that are more rooted in the local community while looking ahead to the further expansion of our sales channels in the Shikoku area. We will strive for mutual trust and development with our business partners by responding more promptly and meticulously than ever before, and by proposing new designs and materials that meet their needs.
